Washing Machines

ES-GFH8144I3-EE

Highligths

- 1400 rpm
- Delay Timer
- 12 Mins Quick Wash Duration
- 8 kg
- A+++-20%
- DoubleJet
- Big Door with Large Porthole
- Touch LED Countdown Display
- Allergy Smart

SHARP
Be Original.

Endorsed by Allergy UK this special program removes selected allergens and bacteria from the wash taking care of both your clothes and your family.

Washing Machines are not just about getting clothes clean but also looking after them to give them a longer life. The Bubble Drum is designed to be as kind to your clothes as possible while still getting them brilliantly clean.

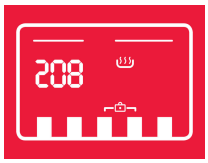

Unique to Sharp machines this patented system has twin nozzles which shoot water and detergent directly into the heart of the laundry reducing water usage and saving energy.

Too much foam in the washing machine can prevent the clothes from getting a proper clean, the Foam Protection system makes sure those bubbles don't become an issue.

Don't let lightly stained and soiled clothes ruin your plans. Our JetWash feature can power through a light load in 12 minutes at 30°c

Designed to keep you up to speed with the progress of your laundry allowing you to get on with your day knowing exactly when everything is going to be clean and fresh.
