Leaks happen but with the Aquastop you have the peace of mind that if a leak is detected the water supply is shut off to protect you and your home.

Program your dishwasher so that it starts at a time that suits you.

Keep your children safe from accidentally using the microwave with the easy to set up Child Lock.

Space at home is often at a premium but these dishwashers are just 45cm wide and still take a total of 10 place settings. Streamlined and efficient, the way technology should be.

When time is of the essence this program does the dishes in 50 minutes at 60°C.

An anti-bacterial system added to the filter kills 99% of bacteria in the wash. Take that germs.
