Keep your children safe from accidentally using the microwave with the easy to set up Child Lock.

Space at home is often at a premium but these dishwashers are just 45cm wide and still take a total of 10 place settings. Streamlined and efficient, the way technology should be.

When time is of the essence this program does the dishes in 50 minutes at 60°C.

Sharp machines like to keep you informed of everything that is going on within them with an easy-to-read set of displays.

An anti-bacterial system added to the filter kills 99% of bacteria in the wash. Take that germs.
