Program your dishwasher so that it starts at a time that suits you.

At the end of the machine's program the Autodoor allows for quicker and more efficient drying by opening to release steam.

Keep your children safe from accidentally using the microwave with the easy to set up Child Lock.

Space at home is often at a premium but these dishwashers are just 45cm wide and still take a total of 10 place settings. Streamlined and efficient, the way technology should be.

When time is of the essence this program does the dishes in 50 minutes at 60°C.
