SHARP
Be Original.

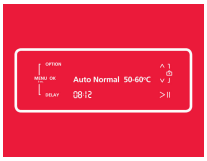

Program your dishwasher so that it starts at a time that suits you.

Space at home is often at a premium but these dishwashers are just 45cm wide and still take a total of 10 place settings. Streamlined and efficient, the way technology should be.

When time is of the essence this program does the dishes in 50 minutes at 60°c.

Sharp machines like to keep you informed of everything that is going on within them with an easy-to-read set of displays.

An anti-bacterial system added to the filter kills 99% of bacteria in the wash. Take that germs.

Sharp puts safety first. If there is a disruption to the water flow these safety measures are designed to prevent damage to your home
