SHARP
Be Original.

To make life simple there are auto menu programs pre-installed for you to get cooking at the touch of a button

One touch microwaving power with this setting.

Why settle for just one function when this Sharp appliance can microwave, grill and bake like a conventional oven.

The INFO-button guides you step by step through the cooking process, explaining all functions on the digital display.

The turntable allows for larger plates to be accommodated into the oven meaning you can have a whole plate of leftovers heated in minutes.
